# **Restorative Practices**

Building Connections  
to Change Behaviors, Repair  
Relationships and Improve Results

# Restorative Justice at NCHS

# ROLE of RJ Educator

We have high expectations of ourselves,  
students and caregivers

We have unwavering commitment to  
prioritizing the needs of our students first

# Role of RJ Educator at NCHS

Coordinate grade level program activities including coordinating restorative circles and conferences, case tracking, and data tracking and recording.

Facilitate mediations in response to conflict: among students, between educators and students, among educators, between family members and educators.

# Role of RJ Educator at NCHS

Ensure all students are:

- Safe
- Welcomed
- Able to maximize learning time

We accomplish this through implementing school-wide behavioral expectations and supporting students and staff through restorative practices.

# Restorative Justice at NCHS

Our work is about developing relationships.

Students, Caregivers, Educators and other community members need authentic connection with one another, their individual identities, and their values.

# What are RJ Educators working on as of this week

RJ Educators are currently working on attendance, cooperating with the GLC on students whom are chronically absent.

The goal is to bring awareness to all families regarding their child's attendance in virtual learning.

To have families help Northside in making sure their child is present everyday and ready to learn during virtual learning.

# Attendance Policies

## Students must be:

- On time & ready to work
- Camera ON & ON Camera
- Make sure students fill out attendance sheets in classrooms, accurately & properly

## Failure to adhere to the above policies may result:

- Possible decrease in grade
- Result in a home visit ( If *chronically* absent )

# Chronic Attendance

- 10% or more instructional days missed OR
- 10 consecutive instructional days missed

## Outreach:
